Tai Chi for Arthritis and Fall Prevention

An evidence-based program for Disease Control to improve balance, this Sun Style Tai Chi protocol was developed by Dr. Paul Lam, a family physician, and Dr. Patience White, Chief Medical Officer of the Arthritis Foundation. It is used in facilities worldwide to promote relaxation, flexibility, strength and balance. The simple “Basic Six Movements,” are fun, effective and safe. Come dressed in comfortable clothing and flat soled shoes.

Demonstration Presented by Ileina Ferrier, Master Trainer
