The Director of Nursing Training course is designed to prepare long term care nurses at all levels for leadership positions within their facility. The program focuses on key areas of effective management and administration, while also emphasizing resident care. Graduates of the program will have the capacity to be successful in positions such as Director of Nursing, Assistant Director of Nursing, and Nurse Manager. This program will also allow DONs to develop a support network of peers. Any nurse working in long term care who currently holds or wishes to pursue a leadership position is encouraged to attend. The primary instructor for the course is Tabby Lancaster, RN.

Topics Include:

- Role of the Director of Nursing
